

# KEENCUT

## Don't start well and finish badly!

Quality matters. There is no point in printing a fantastic sign and cutting it poorly. Badly cut materials increase waste, reduce profits and disappoint customers.

## Choose the Keencut Evolution3™

### It's 4 x faster than cutting by hand!

The Evolution3 is the fastest, most accurate and versatile cutter on the market.

So, impress your customers and increase your profits

**The Evolution3 - improved finishing for perfect precision cutting every time!**

## Contact us NOW!

**"So absurdly useful,  
- cannot be beaten!"**

## The Evolution3™

### 4 times faster than cutting by hand

For those still cutting foam board by hand, the Evolution3 will produce four times more perfectly straight and perfectly finished boards, and one and a half times as many banners every day!

### It's the fastest, most accurate and versatile cutter on the market

- Fast, single-handed alignment of materials (patented Lift-and-Hover)
- Straightforward use by one operator
- Simple set-up guarantees identical boards
- Cuts without dust or debris
- No electrics and virtually no maintenance
- Quick change tools for future-proof design

**So, do you want to create 4 times more perfect signs every day?**

**Contact us NOW!**

**"It's very, very simple to use  
and it makes a massive  
difference to our productivity."**

JDP Solutions - England

## Choose the Evolution3™

Made by Keencut, the world's leading cutter bar manufacturer, the award-winning Evolution3 is for faster, safer, precision cutting - no mistakes - no waste!

It cuts cleanly through rigid, semi-rigid and flexible materials - that's one machine to cut everything from 13mm (1/2") PVC foam board to delicate fabrics!

**If you are still cutting by hand, the Evolution3 will increase your productivity by 4 times when cutting PVC foam board.**

It's unique features make it the most advanced and easiest to use manual cutter on the market.

With the Evolution3 you get rapid payback, great versatility and improved finishing for perfect precision cutting every time!

**So, do you want to create 4 times more perfect signs every day?**

**Contact us NOW!**

**'I honestly would be lost without it!'**
